Firefighter challenge

The Challenge

Working in partnership with Humberside Fire & Rescue Service, you could make your community a safer place to live and work!

Ideas – you could

- Help reduce the risk of accidents on our roads by campaigning in your area and getting your faces known as 'Road Safety Ambassadors!'
- Become an 'Anti Arson Activist' by raising awareness of the issues surrounding arson. You could carry out arson safety checks on your neighbours' houses or set up 'Arson Awareness Open Days' at your local community centre.

We can help you by

- Providing you with accurate Road Safety and Arson information.
- Assisting with writing press releases or help you to attract the media to your Open Days and projects.

There are lots of things you could do to help your community through the Lifestyle Fire Fighter Challenge. If you would like more information please drop us an email at:

Lifestyle@humbersidefire.gov.uk
or give us a call on:

0808 141 8282

We can't wait to hear from you!

Humberside Fire & Rescue Service
