

## How do I block a Facebook user Profile?

NOTE: This blocking method is available from a web-based versions and mobile versions of your profile. This document is for illustration purposes only. Also, the methods of this blocking process are subject to change by Facebook and there is no guarantee that the method will remain in the same format.

To BLOCK a Facebook Profile on your Account, please follow these steps.

1. The User must log into their profile, either on a web-based or mobile version (app) and **CLICK** on the downward chevron which appears on the Users profile toolbar (in Blue). The chevron is located next to a PADLOCK symbol.
2. A 'drop down' menu will appear, **CLICK** the option for 'Settings'.
3. The following screen will appear with your Account information in the fields:

4. **CLICK** on 'BLOCKING' on the left hand side of the page. In a mobile application version of your account; you will navigate to 'BLOCK USERS' page. In a web-based version of the Account; the below screen will appear:

MAKING A  
DIFFERENCE

NOT PROTECTIVELY MARKED

PROTECTING COMMUNITIES

**Manage blocking**

**Restricted List** When you add friends to your Restricted list they can only see the information and posts that you make public. Facebook does not notify your friends when you add them to your Restricted list [Edit List](#)

**Block users** Once you block someone, that person can no longer see things you post on your timeline, tag you, invite you to events or groups, start a conversation with you, or add you as a friend. Note: Does not include apps, games or groups you both participate in.

**Block users**  **Block**

**Block app invites** Once you block app invites from someone, you'll automatically ignore future app requests from that friend. To block invites from a specific friend, click the "Ignore all invites from this friend" link under your latest request.

**Block invites from**

**Block event invitations** Once you block event invitations from someone, you'll automatically ignore future event requests from that friend.

**Block invitations from**

**Block apps** Once you block an app, it can no longer contact you or get non-public information about you through Facebook. [Learn more.](#)

**Block apps**

**Block Pages** Once you've blocked a Page, that Page can no longer interact with your posts or like or reply to your comments. You'll be unable to post to the Page's Timeline or message the Page. If you currently like the Page, blocking it will also unlike and unfollow it.

**Block Pages**

5. Under the 'BLOCK USERS' Option, enter the Name or Email Address of the Person or Profile you wish to block. NOTE: Once a person or Profile is blocked, the person can no longer see things you post on your timeline, tag you, invite you to events or groups, start a conversation with you or add you as a friend.
6. **SELECT** 'BLOCK', the person or profile will be **BLOCKED**.

NOTE: From this Settings page you can also manage who is on your restricted list, block app invite from people, block event invitations from people, block app requests and block a particular page. Such settings are to be considered if you wish to control your Facebook Account and restrict who can see and interact with you and your Facebook posts.
